

## Dear Families:

In Sunday School today, we traveled around some stations to learn about the important events of Holy Week. Our first stop was Jerusalem, where we talked about Jesus' entry into the great city and how the people celebrated. We then stopped at the upper room and discussed the last supper over a snack of unleavened bread and grape juice. Next we went to the garden and saw how Jesus prayed. Our last stop was Joseph's tomb, where we discussed the events of Good Friday. How sad and scary a day that must have been- but it was all in preparation for the most holy day of all- Easter Sunday!!

The Sunday School has committed to supporting FLY- Focused Education for Youth, for our 2017 service project. This program, overseen by Jericho Road, seeks to assimilate ESL (English as Second Language) students into American culture, immerse them in English instruction, and provide them with academic support for success in school. Throughout the month of March, we will be collecting money for art supplies. The FLY director specifically requested drawing pencils, mattes for framing, and other supplies for the **middle school** art lessons that they teach. (They are classes for older kids, so no crayons or markers).

The annual Book Sale ends today! All proceeds will be donated to FLY so that they may send their students on a field trip. Feel free to come, shop and help us help others. Thanks for your support with your donations and your purchases!

This week's memory verse is: "Hosanna! Blessed is He who comes in the name of the Lord."(based on Matthew 21.10). Recite it at the beginning of class next week, and you will earn a prize!

So glad you could join us today! Happy Easter to you and your families!

Carol McClellan
